

The Balgrist residence

Wheelchair accessible rooms and apartments

- Room service, towels and linens are provided.
- Rooms are equipped with telephone (calls to the expense of the guest), internet and TV (free of charge).
- Public facilities (kitchen, laundry with dryer, lounge, a large partially covered terrace) are wheelchair accessible and available for all residents. Please follow the rules of the house.
- All Balgrist hospital services, such as medical care and therapies are available, but need a reservation in advance and a doctors prescription.
- Balgrist Residence does not provide any medical or nursing emergency services.
- Rooms are not available for permanent residency.
- Patients of Balgrist University Hospital are given precedence.
- Meals can be provided by Balgrist at the guest's expense.

Apartment equipped with „Environmental Control System“: one of our apartments is equipped with a JAMES environmental control system, which enables even severely disabled people to operate the door, window, blinds, light, TV, telephone.

Short term accommodation: Based upon availability it is possible to book a room for a one night stay only. Payment in advance is requested and special rates and conditions apply.

Location and premises:

- Balgrist is situated approximately 10 tram minutes away from downtown. Cobra trams (every other tram) are handicapped accessible.
- Taxis can stop directly at the entry of Balgrist Residence.
- Covered handicapped parking is available (please ask) and situated directly at the entry of the residence.
- All rooms as well as the surrounding area meet accessibility standards.
- Rooms are furnished with a hospital bed (90x200, fully ajustable) and most of them have a handicapped accessible bathroom in the room (some outside only).

Price:

- According to room and length of stay between CHF 60 and CHF 140 per night (without meals, but including room service).
- Further services will be charged according to our rates list.
