CARD Workshop

CARD Workshop on 3D-planned corrective osteotomies performed with the MyOsteotomy PSI system in Hand and Elbow Surgery

CARD Workshop on 3D-planned corrective osteotomies performed with the MyOsteotomy PSI system in Hand and Elbow Surgery

Following-up on last year's workshop, the upcoming 2017 workshop will focus on the correction of complex, intra-articular deformities of the forearm bones. Moreover, you will learn how to apply the MyOsteotomy system for the treatment of malunions of hand and wrist bones (scaphoid, metacarpal bones, and phalanges) as well as for distal humerus deformities. The workshop is organized in two blocks. In the morning we will provide you with 3D planning theory based on exemplary retrospective cases. The hands on session in the afternoon block focuses on the surgical technique and the application of the patient-specific MyOsteotomy instruments. We are looking forward to seeing you at the workshop.

Organisation

- Dr. Philipp Färnstahl, Managing Director Balgrist CARD AG
- Prof. Dr. med. Andreas Schweizer, Deputy Head of Hand Surgery
Balgrist University Hospital, Deputy Managing Director Balgrist CARD AG

Registration

Balgrist University Hospital
Stefanie Pfister - Coordinator Congresses
kongresse@balgrist.ch
Tel.: +41 (0)44 386 38 33

Registration Fee

CHF 220

Includes attendance of workshop, coffee breaks and lunch

Workshop venue

Balgrist University Hospital
Auditorium
Forchstrasse 340
CH - 8008 Zürich

Language

English (spoken and slides)

CME Accreditation

Swiss Orthopaedics (SGOT): 5 credit points

Swiss Hand Surgery (SGH): 6 credit points

Friday, November 24th, 2017

from 08.30 Registration

09.00 - 09.10 Welcome

09.10 - 09.30 MyOsteotomy Workflow: Important information to know

09.30 - 10.00 MyOsteotomy Distal Humerus

10.00 - 10.45 MyOsteotomy on Wrist & Hand bones (Scaphoid,
Metacarpale, Phalanges)

10.45 - 11.15 Coffee break

11.15 - 12.15 MyOsteotomy for intra-articular corrective osteotomies

12.15 - 13.30 Lunch break

13.30 - 15.15 Hands-On Sessions Part I

15.15 - 15.45 Coffee break

15.45 - 16.30 Hands-On Sessions Part II

16.30 - 16.45 Closing

16.45 End of the workshop
