Professor Reinhold Ganz, M.D.

Professor Reinhold Ganz has opened a new era of understanding and treatment of hip disease. As a Chair of the Department of Orthopaedics of the University of Berne he has fostered academic orthopaedic excellence and educated a generation of orthopaedic surgeons. As a Consultant at the Department of Orthopaedics of the University of Zurich from 2004 to 2007 he served as a role model for analyzing and treating orthopaedic problems and substantially contributed to the Department's development.

Professor David H. Dejour, M.D.

Professor David Dejour is an internationally renowned orthopaedic surgeon and a leading authority in knee surgery, particularly in patellofemoral disorders and anterior cruciate ligament (ACL) pathology. As the Founder and Head Director of Lyon Ortho Clinic, he has made significant contributions to advancing clinical practice, research, and education in sports medicine. He has been president of the Lyon School of Knee Surgery as well as the European Society of Sport and Knee Arthroscopy (ESSKA). In recognition of his outstanding contributions to orthopaedics, Professor Dejour received a Lifetime Achievement Award from the Patellofemoral Foundation.
