

## Location and how to find us

### Shuttle Bus from Stadelhofen Station

The new clinic shuttle bus runs from the Stadelhofen station to Balgrist University Hospital from Monday to Friday. The accompanying flyer gives details of the timetable and vouchers.

### By public transport

Balgrist University Hospital has excellent links to public transport and can be reached quickly and easily.

From Zurich main station, take tram No. 11 in the direction of Rehalp and alight at the "Balgrist" tram stop (journey time approx. 20 minutes).

From Stadelhofen station, take the Forch light railway S18 in the direction of Esslingen or tram No. 11 towards Rehalp and alight at the "Balgrist" tram stop (journey time approx. 10 minutes).

From Zurich airport, take the train (SBB) to Zurich main station or Stadelhofen station and change to either the tram or the light railway and continue to the "Balgrist" stop (journey time approx. 10 minutes).

### By car

Visitors and outpatients may use one of the parking spaces, including six disabled spaces. A charge is levied for parking. Unfortunately, we are unable to provide parking facilities for inpatients.

Users of non-motorised wheelchairs can contact BTZ (Tel.: 044 444 22 11) or TAXI (Tel.: 0848 00 20 60).
